

Hand Held Metal Detector

Description : Hand Held Metal Detector

Model No : GA-HHMD-100

Key Features

- Weatherproof rubber handle
- Selectable Vibrating Alarm
- Secure Internal Sensitivity Adjustment
- High Sensitivity
- World Renowned
- Sharp Audible Alarm and Bright Red LED
- All Meta Detection
- Self-Calibration
- Momentary Push Button
- Rugged, High Impact ABC Case

Technical Specifications

- Power Source: 9V Rechargeable Battery
- Operating Voltage: 7V - 9V
- Detection: LED Indicator / Sound / Vibration
- LED Indicator: 3 color - Green LED (ON), Amber LED (Low Battery), Red LED (Alarm)
- Sensitivity: High
- Alarm Type: Vibration/Audible Alarm
- Operating Frequency: 40KHz
- Detection: All Types of Metal
